Membership Dues - As you know, membership in SUSME was complimentary 2008-2012. In December 2012, the SUSME Board approved the implementation of the following dues structure.

- \$200 Active Member - Medical educator
- \$200 Associate Member – Others with a strong interest in ultrasound education
- FREE Student Member (students, residents, fellows) – individual currently enrolled in a healthcare education program

[Although membership is free, students, residents, fellows will need to go ahead and join SUSME to be included in our membership database.]

Dues run January-December. **Join SUSME now to be eligible for discounted registration at the Third World Congress in Portland! – <http://www.susme.org/membership-registration-2/>**

Thank you for your membership and support of SUSME to date. I hope that you will choose to continue your membership and help us fulfill SUSME's mission to promote the use of ultrasound in medical education through development of educational experiences, research on outcomes, and distribution of results.

Sincerely,

Mike Blaivas

President, Society of Ultrasound in Medical Education (SUSME)
