LUNCH IS PROVIDED

**Who is invited:**

All medical students interested in point-of-care ultrasound, even those without previous experience. Faculty ultrasound advisers are also invited and welcome to assist with sessions if interested.

**Activities:**

Educational, hands-on workshops ranging from E-FAST and DVT exams to ECHO and US-guided procedures. The activities will span all levels of experience, from beginner to advanced. Students

will have the option to form teams and compete for prizes.

**Why:**

Excitement for ultrasound is growing rapidly! This regional event will be a great way to support and connect our students and future leaders in ultrasound.

**Lodging:**

Contact us if you desire lodging - our students may be able to host other students and special hotel rates may be available.
